Hi friends,

Happy New Year to you! We hope your year will be joyful, peaceful and prosperous, filled with what counts for eternity!

Please praise the Lord for the great opportunities during Christmas to do outreach in India. It is a time when people feel free to ask what Christianity is all about because the country acknowledges Christmas as a national holiday (left over from when the British ruled). We heard many positive things from the Pastors about their meetings and special Christmas outreach services. Praise the Lord for the Christmas Dinner that SERVE India served for 120 poor and needy people in the Saluru area. They had a special speaker who gave an evangelistic Christmas message. Please pray for all of those who heard what Christmas is really all about and for those who were able to watch the 'Jesus' film. Pray the Lord will work in their hearts to understand the Truth and receive Him.

We are busy getting ready for John to head back to India next week already! The time always seems to go by so quickly. We have had a very busy but good time spent together and thank you for praying for all that we needed to accomplish last month. We are just about finished with it all!

We are very excited about the teams who will be coming to help serve the people of India in the next few months. We are counting on your prayer for great things to be accomplished. Thank you for joining with us!

Please pray for the medical team (Paul & Jolee, Kristen, & Scott & Sharon) who will be arriving first. They will be working with Indian doctors from the area helping literally thousands of people through the medical camps SERVE India will hold. They will be in villages where there is a SERVE India Pastor and congregation so that the message of the love that God has for these people will be able to continue long after the medical team is gone. The medical camps will start on Jan.30th and continue through about 4 days each week until Feb. 18th. The team will also have a chance to take part in our Annual Gospel Celebration and doing some work in the leprosy colony.

Please also pray for the second team (Rick, Brad, Steve, Rick, and Jim, arriving Feb 5th, and then Pastor Marc & Nancy & I, arriving Feb. 8th). We will help with a few medical camps, take part in the Crusade, help with the building project, and work in the leprosy colony. They all finish up and fly out by Feb 16th , except I will stay a few extra days and leave on the 19th. We are all very excited!

Please pray for all of our plans and preparations and the Lord's provision for all that is needed for a safe, fruitful, wonderful time of serving Him and the people of India for His purposes and glory. We really need your faithful prayer. Thank you so much!

His peace and joy,

Love, The Nanda's
