Hello friends,

We are so thankful that John arrived back with us last week! Thank you for praying. We are looking forward to the whole summer together. We already have many plans!

Thank you for praying for John's time in India. He was very busy and he was able to accomplish much. We are sending just a brief e-pray at this time because we are working on our Prayer Letter which we hope to send out in the next few weeks, with pictures. :) We did want to let you know that John arrived back just fine and ask you to pray for a few things.

Something new has now come up with the land that the Training Center was first planned to be built upon. They are thinking of that site to be part of the 3000 acres the government is going to acquire for an international airport!!!!!!! Wow, isn't that something? They are still in the final stages of deciding of the exact area, but they have notified all the land owners in the area that it is a very probable possibility. Well, if it does happen we will definitely understand why we just couldn't seem to get that Training Center built on that land! What we would like for you to be praying about is that if the government does decide to 'acquire' the land they may decide to pay us what the going rate for the land is or they may pay us only what *they* think it is worth. ***Please pray that they will pay what the land is worth so we will not have to take a loss.***

Also, we will need wisdom to decide if we should go ahead and build the Training Center on the land near the ocean like we had decided to do or not. We will not really be able to tell what the area is going to be like until some things move forward with the airport plan. All of the neighbors nearby (whole villages) may be asked to be moved for the airport purposes. Well, the Lord knows, so we will just wait and hear from Him on what our next step should be. ***Please pray that we will hear Him clearly and move in the way He has for us to go.*** Also, ***praise Him that we have the building in Tuni and the plan for a training class to start this Fall! /Thank You, Lord! /***We will tell more about this in the Prayer Letter.

Thank you as always for your prayer for us and the ministries of SERVE India, we could not do it without you!

His peace and blessings, Much love, The Nanda's :)
