Dear friends,

We hope you are having a wonderful summer. We have been busy and it sure is going fast but it has been good!

One of the highlights of our summer so far has been the Missions Convocation we attended at our church in Milwaukee. There were friends from many different countries and ministries back in the U.S. at this time. It was amazing to hear of what the Lord is doing all over the world. It was so encouraging! We are excited about a contact that we made that we hope we can be helpful to them and they will be helpful to us. It is one of the projects that John will be working on when he returns to India in September. We cannot tell you about it on this email (which is posted on the web) because of the sensitivity of the area but we would love to tell you all about it next time when we talk with you in person or give us a call. We would love to hear from you! :)

We have a few prayer requests that we want to let you know about. ***Please pray for Pastor Sathy Prasad and his family and congregation.*** A few weeks ago he and his family were away from their house and when they returned they were met by several people from their village telling them that their house was burned down. They rushed to their home and it was burned along with the church building. There was nothing left. They lost everything. They don't know any details yet of how or by what it happened. There is an investigation started.

One thing that was so encouraging to hear was that at the Pastors meeting that the Pastors had together in that area last week they all put together what they could do to help Pastor Sathy Prasad and his family. They have come around him and are supporting him and helping him in whatever ways they can. Pastor Sathy Prasad and his family are very grateful that no one was hurt and that they are not alone in going through this. Thank you for praying!

We would also like to ask you to pray for the training class that will be starting next month at the training center in Tuni. ***Please pray for the teacher and the 30 students who are signed up so far as they start to study God's Word together.***

Thank you for keeping all of the people involved with the ministries of SERVE India in your prayer. ***Thank you also for praying for our family as John prepares to return to India in just about a month.*** We are so very grateful for you all!

His joy and blessings,
Love, The Nanda's :)
