

January 10, 2008

Dear friends,

We hope you all had a wonderful Christmas and have had a good start to this New Year. We are looking forward to seeing the Lord continue to work in His marvelous ways. He is so good!

John has been back in India for almost 2 weeks already! There were some visitors that came from the States for a few days and spent time with the children in the Children's Home in Tuni. They had a nice visit and everyone enjoyed their time together. ***Please pray as John works with the contractor and builders to get the addition work done on the building in Tuni.*** This will provide much needed classrooms and sleeping areas for the children.

During his trip this time John is hoping to get all the paperwork finished up for the rebuilding of the church in Pastor Thomas' village. He will also hopefully get the construction of the wells started. ***Please pray for the work on the church and wells to move forward with no delays and for the church to be a light of love in that dark place.***

There has been increased persecution in the state of Orissa recently. It has even been reported on in the national news. This state is just to the north of us, very close to some of the work we have. We have not been affected by this directly but have a burden for our brothers and sisters there. This week there is a large gathering planned as a support to those persecuted. ***Please pray for protection as they meet and for justice to be done, bringing glory to the Lord's name.***

This week John will be traveling to Hyderabad to buy the medicines and supplies for the medical camps they will be having when the team comes this year.

There is a team of 7 planning on the trip at the end of January. There are 5 men and one married couple going this year. I will really miss going but after we prayed we felt that since **our family is going to India this summer** it would be better for me to wait until then. ☺

***Please pray as the team prepares to go, for all of the details to be worked out, for unity and for strong prayer teams for each of the team members.*** We will send more details of prayer requests in next month's epray.

We are so grateful for all of you. This ministry could not work without all of you helping in so many ways, especially praying. We always feel amazingly blessed! Thank you!

His peace & blessing,  
Love, The Nandas ☺

P.S. If you did not receive our Christmas Prayer Letter for some reason, please send me an email and I will send you one. It has some great news and photos we don't want you to miss! ☺
